## Especially for Educators

From high school to higher education, learning institutions are increasingly turning to digital display solutions from Planar to impress and inspire. Whether it's educating or informing students, recruiting athletes or motivating boosters, leading-edge video walls, interactive large format displays and desktop monitors can set a school apart with modern visualization younger generations expect and alumni can be proud of.

The Planar® EduCare™ Program is specially tailored to meet the challenges learning institutions face most frequently with benefits that bolster their investment and keep displays viable for years to come.

PLANAR ACADEMY TRAINING

**EXCLUSIVE PRICING** – Budget constraints can limit creativity and imagination in learning environments, the very places where those traits need to be nurtured. The Planar EduCare Program helps budgets stretch finances further with special pricing discounts on every Planar display solution.

**TECHNICAL PRE-SALES SUPPORT** – Even before purchase, Planar EduCare customers get first-hand access to Planar technical expertise. These highly-trained product experts can help schools identify the best display solutions for their needs and assist them in designing video wall configurations or other installations that are sure to impress.

**PRIORITY SUPPORT** – We believe in our display solutions, and trust them to thrive in even the most demanding applications, but if something uncharacteristically goes wrong, schools can rest easy knowing we have dedicated technical support resources for Planar EduCare Program customers.

**PLANAR ACADEMY TRAINING** – Planar EduCare customers can receive private instruction from Planar Academy instructors on topics such as video wall content development, color adjustment and the basics of virtual production. Training courses will help schools get the most out of their display investment and learn about new use cases.

## Eligibility, Terms & Conditions
